GFA Consulting Group

GFA Group – Worldwide

Since 2008, all shares of the GFA Group of affiliated companies have been held in two companies, the GFA Holding Company and the GFA Employee Shareholding Company. Permanent GFA staff members are shareholders of the GFA Employees Shareholding Company. Shareholders of the GFA Holding Company are active and former GFA managers as well as HASPA-BGM, the SME Investment Company of Hamburger Sparkasse with a minority share.

GFA Companies in Germany

GFA Consulting Group – Based in Hamburg, GFA Consulting Group has provided effective solutions to the challenges in the global consulting market in over 130 countries since 1982. Leading development agencies, ministries and public clients have entrusted GFA with helping them to manage projects financed through bilateral and multi-lateral funds.

Working in cooperation with stakeholders in government, the private sector, NGOs and citizens' groups, GFA balances innovation and reliability to meet specialized needs. The focus of GFA's corporate strategy is based on three decades of success in official development assistance (ODA). Gradually, the company has started to offer resulting know-how to private and public customers beyond ODA.

GFA B.I.S. – For more than ten years, GFA B.I.S in Bonn has been specializing in consulting and implementation of business management software, adapted to the needs of international development partners such as The Global Fund or the Millennium Challenge Corporation.

GFA SysCom – Headquartered in Hamburg, GFA SysCom complements the technical expertise of GFA consultants as well as small and medium-sized enterprises with integrated IT solutions and products based on Microsoft SharePoint and Microsoft Dynamics CRM.

Projekt-Consult – Since 1979, Projekt-Consult implements technical assistance projects and studies in its core area mining & mineral resources worldwide. In 2014, Projekt-Consult has become a member of GFA Consulting Group.

HEAT GmbH – Since 1992, HEAT has been providing consulting services in climate and environmental protection, energy efficiency and green technologies. Core services include technology cooperation, policy consulting and capacity building.

GFA Certification – Headquartered in Hamburg, GFA Certification is one of the leading certification bodies in the fields of FSC®- and PEFC™ certification services. Since its founding in 1999, GFA has certified more than 950 companies from the wood/paper and forestry sector in 37 countries according to FSC and PEFC™ standards (FSC® A000511 and PEFC/04-04-0099).

GFA Abroad

GFA South East Europe, Serbia – Established in early 2013, this subsidiary company has increased GFA's visibility in the growing South East European market where many countries newly gained or aspire European Union membership.

GFA Entec, Switzerland – Founded in 2014, GFA Entec AG is a consulting company specialised in renewable energy development and rural electrification projects in developing and emerging countries.

Thalys Conseil, Morocco – Since 2004, Thalys has been providing consultancy services in agriculture and rural development, management of natural resources, decentralization and local development as well as capacity building.

GFA Chile Consultores, Chile – The subsidiary in Chile has been GFA's window of opportunities in the diverse Latin American markets since 2000.

GFA Representative Offices – For many years, representative offices in Hanoi and Jakarta have supported GFA business activities in the local and regional markets.
