Based in Hamburg, GFA Consulting Group has provided effective solutions to the challenges in the global consulting market in over 130 countries since **1982**. Leading development agencies, ministries and public clients have entrusted GFA with helping them to manage projects financed through bilateral and multilateral funds. Working in cooperation with stakeholders

in government, the private sector, NGOs and citizens' groups, GFA balances innovation and reliability to meet specialized needs. The focus of GFA's corporate strategy is based on more than three decades of success in official development assistance (ODA). Gradually, the company offer resulting know-how to private and public customers beyond ODA.

GREEN FACTS

At GFA, we are guided by the **Sustainable Development Goals SDGs** as our main company purpose and by the ten principles of the UN Global Compact UNGC for sustainable management at our head offices, and increasingly at the project locations in our partner countries.

Unavoidable CO₂ emissions we are offsetting via the **UNFCCC** „Climate neutral now“ platform, investing in the Gold Standard certified project Renewable Wind Power generation for promoting energy security in India.

We support public transport, bicycle actions, recycling and employee commitment.

Our offices and servers at our headquarters are powered by **100% green electricity** and we use a geothermal heating system in our newest office building.

WE MEET OUR COMPLIANCE RULES

Compliance is not just an abstract term, but also a binding and clear set of rules that affects all employees.

Our actions are based on integrity, economic, social and ecological responsibility and ethics, employee orientation, sustainability, innovation and excellence. Integrity and acting with integrity are deeply rooted in our self-image and corporate culture.

GFA has set up a full-fledged compliance management system to fulfil external and internal requirements either by law, rules and regulations or by our clients.

WE SUPPORT

In February 2018, GFA has become a signatory of the UN Global Compact (UNGC).

With its declaration of commitment, GFA undertakes to pursue integrity in its company management, and to dedicate itself to doing business equitably and sustainably.

WE ARE CERTIFIED

Since April 2010, GFA's **quality management system** has been certified according to DIN EN ISO 9001:2015 standards. In companionship with Projekt-Consult, GFA has obtained a compliance certificate including public procurement and data protection since 2018.
