

# CREDP

**C**aribbean  
**R**enewable  
**E**nergy  
**D**evelopment  
**P**rogramme

Implemented by:

CREDP originates from an initiative of the Energy Ministers of the CARICOM member states, established to improve the political, legal and regulatory framework conditions for the use of Renewable Energy and Energy Efficiency in the Caribbean Region.

More background information can be found on [CARICOM's CREDP web-page \(please click\)](#) .
