

Expert Program

The Fellowship Programme is an instrument of technical assistance to governmental institutions in the comprehensive implementation of their duties according to the Association Agreement with the EU.

Through the involvement of experienced specialists in the reformation process we create opportunities for:

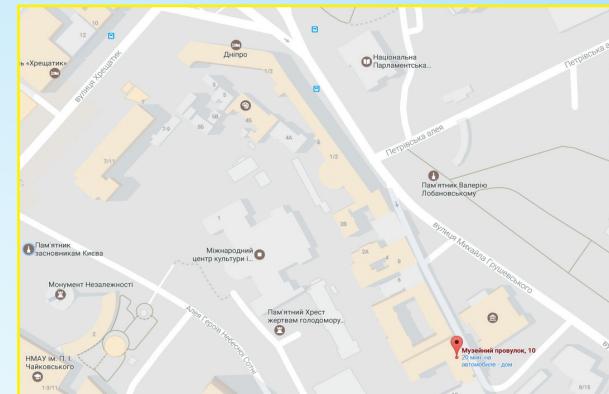

- Strengthening the potential of Ukrainian governmental institutions in the key fields of the project (Legal Approximation, Certified Translation, Staff Training, Sectoral Policy and Communication with Civic Society).
- The formation of a new wave of professionals on European Integration for public service and the business community.
