

INSPIRATION – Spatial Data Infrastructure in the Western Balkans

Creative Commons Licenses

2nd National INSPIRATION Workshop Serbia
June 6-7, 2013

Ivica Skender, GDi GISDATA

Martin Koška, Slovak Environmental Agency

A multi-country project funded by the
European Union and implemented by

Creative commons (CC)

Definition:

- Creative Commons (CC) is a non-profit organization founded in United States dedicated to expanding the range of creative works available for others to build upon legally and to share.

Allows:

- CC licenses allow creators to communicate which rights they reserve, and which rights they waive for the benefit of recipients or other creators.

Logo:

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt[®]

Advantages of CC

- CC licenses do not replace copyright, but are based upon it.
- CC licenses replace individual negotiations for specific rights between copyright owner (licensor) and licensee, for re-use cases where **no commercial compensation** is sought by the copyright owner.

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt⁰

Advantages of CC

Generally

- easy to understand one-page explanation of rights, with associated visual symbols, explains the specifics of each Creative Commons license

For web content

- Search engine benefit
- Greater copyright clarity
- More likely to be quoted
- Less time dealing with infringement

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt⁰

Application for CC licencing:

- Photos
- Movies and videos
- Songs and sounds
- Documents

4 CC License Conditions

Attribution (BY)

Non-Commercial (NC)

No Derivative Works (ND)

Share Alike (SA)

A multi-country project funded by the European Union and implemented by

CC BY

Attribution (BY) - requiring attribution to the original author

- Let others copy, distribute, display or perform your copyrighted work.

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt⁰

Non-Commercial (NC), requiring the work is not used for commercial purposes

- You let others copy, distribute, display, and perform your work and derivative works based upon it for noncommercial purposes only.

A multi-country project funded by the European Union and implemented by

No Derivative Works (ND), allowing only the original work, without derivatives

- You let others copy, distribute, display, and perform only verbatim copies of your work, not derivative works based upon it.

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt⁰

Share Alike (SA), allowing derivative works under the same or a similar license (later or jurisdiction version)

- You allow others to distribute derivative works only under a license identical to the license that governs your work.

A multi-country project funded by the European Union and implemented by

Combinations of CC licences

Attribution CC BY

This license lets others distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered. Recommended for maximum dissemination and use of licensed materials.

A multi-country project funded by the European Union and implemented by

Combinations of CC licences

Attribution-ShareAlike CC BY-SA

This license lets others remix, tweak, and build upon your work even for commercial purposes, as long as they credit you and license their new creations under the identical terms. This license is often compared to “copyleft” **free and open source software licenses. All new works based on yours will carry the same license**, so any derivatives will also allow commercial use. This is the license used by Wikipedia, and is recommended for materials that would benefit from incorporating content from Wikipedia and similarly licensed projects.

A multi-country project funded by the European Union and implemented by

ENVIRONMENTAL AGENCY AUSTRIA **umweltbundesamt**

Combinations of CC licences

Attribution-NoDerivs CC BY-ND

This license allows for redistribution, commercial and non-commercial, as long as it is passed along unchanged and in whole, with credit to you.

A multi-country project funded by the European Union and implemented by

ENVIRONMENTAL AGENCY AUSTRIA **umweltbundesamt**[®]

Combinations of CC licences

Attribution-NonCommercial CC BY-NC

This license lets others remix, tweak, and build upon your work non-commercially, and although their new works must also acknowledge you and be non-commercial, they don't have to license their derivative works on the same terms.

A multi-country project funded by the European Union and implemented by

ENVIRONMENT
AGENCY AUSTRIA **umwelt**bundesamt

Combinations of CC licences

Attribution-NonCommercial-ShareAlike CC BY-NC-SA

This license lets others remix, tweak, and build upon your work non-commercially, as long as they credit you and license their new creations under the identical terms.

A multi-country project funded by the European Union and implemented by

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt

Combinations of CC licences

Attribution-NonCommercial-NoDerivs CC BY-NC-ND

This license is the most restrictive of CC's six main licenses, only allowing others to download your works and share them with others as long as they credit you, but they can't change them in any way or use them commercially.

ENVIRONMENT AGENCY AUSTRIA **umwelt**bundesamt

OpenStreetMap licences

OpenStreetMap data is now licensed under the Open Database License

- You are free to copy, distribute, transmit and adapt OSM data, as long as you credit OpenStreetMap and its contributors. If you alter or build upon our data, you may distribute the result only under the **same licence**.

The cartography in OSM map tiles, and OSM documentation, are licensed under the Creative Commons Attribution-ShareAlike license (**CC-BY-SA**)
